## TELLS ON THE KIDNEYS

Keytesville People Have Found This to Be True.

The strain of overwork tells on the weakened kidneys. The hurry and worry of business men, the heavy lifting and stooping of workmen, the women's household cares tend to wear, weaken and injure the kidneys until they can no longer filter the poison from the blood and the whole body suffers from the waste matter that accumulates. Weakened kidneys need quick assistance. Doan's Kidney Pills are especially prepared for weakened kidneys; tired, worn-out backs—have proven their merit in thousands of cases. Below is convincing proof from this locality.

J. A. Bruner, brakeman, 317 S. Livingston St., Brookfield, Mo., says: "I think the attacks of backache I have are due to the jarring and jolting of the cars. I get lameness through the small of my back, which gives me a little annoyance. Whenever one of these attacks come on, I use Doan's Kidney Pills and they give me prompt relief. I am glad to recommend them."

Price 60c. at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Bruner had. Foster-Milburn Co., Mfgs., Buffalo, N. Y.
